### Arriving by Car

When travelling on motorway A1 coming from Basel, Zurich, Lucerne or Bern, take the exit «Oensingen/Balsthal». Take the left lane in direction Balsthal and follow the road for 2.5 km until you reach the roundabout after the town sign for «Klus», right at the Coop petrol station.

Take the third exit in direction «Industriezone Klus». After 50 m follow the road to the left and over the railway crossing. You know you have arrived when you see the prominent building with the ifa logo in front of you.

We offer enough available free parking space. Please note that a Swiss Vignette does not have to be purchased if you are travelling with an identified vehicle of a fire service (Article No 4 of the National Road - Tax Law).

### Arriving by Train (timetable: [www.sbb.ch](http://www.sbb.ch))

Take the train to «Oensingen». Then take the local railway line to the station «Klus». From the Station «Klus» it is a 3 min walk, search for the prominent building with the ifa logo.

### Arriving by Plane

Switzerland is easy to access via the EuroAirport Basel-Mulhouse ([www.euroairport.ch/en](http://www.euroairport.ch/en), e.g. with EasyJet) or Zurich Airport ([www.zurich-airport.com](http://www.zurich-airport.com), e.g. with Swiss). The Euro Airport is connected to the Railway via bus and Zurich Airport has its own railway station.

Take the train from the station Basel SBB or the station Zurich Airport to «Oensingen». Then take the local railway line to the station «Klus» (if you make an appointment with us, we can gladly pick you up at the station «Oensingen»). From the Station «Klus» it is a 3 min walk, search for the prominent building with the ifa logo.

As an alternative, rental cars are available at both airports.
